Deliveries are Saturday teatimes

I will need your name, delivery address including postcode and any tricky location info. Date for delivery, order & any food allergies, intolerances, celiacs, I need to be aware of.

Delivery

We deliver free to Bembridge, Sandown, Seaview, St Helens, Nettlestone, Ryde. Beyond those areas, delivery is £5. Or you can arrange to pick up.

Minimum order

I do have a minimum order value of £80.00. As I cook to order, I do require a minimum number of orders on some dishes.

Allergies

Gluten free - Please let me know if you need gluten free bread and if there are any food allergies, intolerances or celiacs that I should be aware of when you order.

I do work in an open kitchen, I cannot guarantee there will not be cross contamination.

Hygiene Rating

We hold a 5* hygiene rating.

Vegan/ Vegi

Due to the small numbers I cook for, I cannot cater for specific vegan requirements on this menu. However, I am happy to discuss and quote accordingly as cooking one-offs is not terribly cost effective.

Bones & Shell

Please bear in mind I used professionally hand picked fresh crab, lobster and smoked salmon bought in from registered and licenced suppliers. By it's nature the crab comes out from shell that is cracked to be able to remove the crab meat so there is always a chance of crab shell, it is a natural product. Crevettes will need peeling. Fish will occasionally have bones.

Food Date Consumption

We prepare our food for you to consume the day it is delivered unless pre arranged.

Payment

All orders are to be paid for via BACS when you order. Once we have received your order and confirmed it, we will send you the Bank Transfer details. I do not accept credit card payment, cash, cheques or PayPal.

50% as deposit on confirmation of order. Deposit can be refunded upto 72 hours before delivery. After that I will be ordering items. And the deposit will not be refunded. Balance must be paid 24 hours prior delivery.
